**PRESS RELEASE**

ICF Higher Secondary School (ICFHSS), an aided institution managed and run by ICF started its illustrious academic journey in 1954 as a middle school. It was first upgraded into High School in 1964 and later into Higher Secondary School in 1978. ICFHSS is the first Government Aided School to have received the ISO 9001:2015 certification achievement for academics in October 2018 adding an illustrious feather to its cap. It is also the first Government Aided School to have a 10kw Roof Top Solar Panel for generating power and contributes to Green ICF.

As part of continuous improvement for encouraging students to excel in academics and also in extra-curricular activities, the ICFHSS Management has added some innovative facilities viz Heritage Gallery showcasing the important events in the history of the School with photographs and achievements taking a visitor down the memory lane. A Roll of Honor listing the achievements of students in academics and sports is a real motivator for aspiring students and encourage them to perform better. A Knowledge Corner in the first floor of the school is the pick of the facilities with eye-catching tidbits and valuable information on Indian Constitution, World History, Geography, Science and Space, Physics, Chemistry and English, indeed a treasure-trove of knowledge and ready-reckoner of information at one spot. A Renovated School Auditorium with pictures of great Academicians and Scientists with useful nuggets about their life and achievements, a photo gallery of the Heads of Institution and incumbency boards of the Heads of the School and Correspondents is appealing. A Computer Laboratory with 22 new PC systems and upgraded 20 systems will be a boon for students who will hone their skills in computers. A Renovated Noon Meal Room with tiles, well furnished kitchen with store room and a clean and good ambience will be of immense help for the health of students. All these facilities were inaugurated today in the presence of ICF team of officers and staff i.e 20.12.2018.
