**Sub: Engagement of Diesel Loco and C&W Maintenance staff on Deputation or on Permanent absorption to RITES for Railway O&M Projects in India.**

Dear Sir,

RITES is maintaining the railway-related assets of several prominent PSUs (Thermal Power Station, Power Houses, Steel Plants, Ports etc.). RITES is now also undertaking maintenance of rolling stock of several reputed companies in the Private sectors as well. RITES has also provided Railway locomotives on lease. While majority of staff utilized at these sites is RITES permanent staff or retired Railway staff engaged on contract, RITES supplements its requirement of manpower for these operation and maintenance activities by drawing capable maintenance staff from Railways on deputation or on absorption.

In order to form a fresh panel of suitable staff for the loco leasing and operation and maintenance projects, applications are being invited from the willing, dedicated, knowledgeable and experienced supervisors of Diesel Locomotives and C&W for joining RITES in following categories on deputation or on permanent absorption basis:
