CIRCULAR

Sub: Traffic arrangement inside GM Administrative Building-Reg
Ref: Circular No. PB/LW/200/Misc.Vol.III dt.04.08.2018

The road in front of GM Administrative Building has been provided with Epoxy painting and road in front of "IN and OUT gate" has been laid with bituminous concrete.

It is already informed that only four wheelers are allowed on the road in front of GM Admin building road (Epoxy painted area) and no two wheelers are allowed on this epoxy painted road. However, the two wheelers may be allowed for entry through "IN-gate", drive through the two wheeler shed on the back side of the GM Administrative building and exit through "OUT-gate". The water lorries are allowed only through "OUT-gate" for entry and exit.

The **"Differently-Abled"** persons are hereby informed that they are **allowed to use any of the gates for entry and exit in their vehicles.** However, they are advised to take adequate precaution while entering/exiting through any of Gates as there will be other users using the "IN and OUT" Gates in the opposite direction.
