CIRCULAR

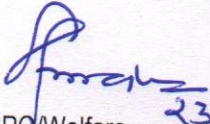

Sub:- Upkeep and cleanliness of colonies by employees/colony residents.

.....

To conserve and protect natural resources for future generations, an environmental policy has been adopted by ICF which lays down guidelines to create a safe, harmonious and ecologically balanced environment for its members and the community at large. The Government of India, through its Swachh Bharat Abhiyan, has also been stressing on a clean India.

Keeping the above in mind, employees/residents of colonies are hereby informed that they should maintain the surroundings of the colony, neat and clean. Dustbins provided in Colonies must be used to dispose garbage and employees should refrain from throwing garbage/waste of any kind/littering of any sort in any other place. The door to door garbage collection facility must be utilized. They should also not indulge in any activity that would adversely affect the environment.

Any violation of the above instructions will be viewed very seriously and severe action would be taken against the employee concerned.
